

CATCH22 UKGDPR COMPLIANCE STATEMENT

When processing personal data, we will uphold the following standards:

- **Ensure we are operating...**
Fairly, lawfully and in a transparent manner and only collect data for specified, explicit and legitimate purposes. We will not process it in ways that are not compatible with what we have told you.
- **Employ data minimisation...**
To limit the collection of personal information to that which is directly relevant and necessary to accomplish a specified purpose.
- **Observe data subject rights...**
To ensure that the rights that are afforded to individuals under the UKGDPR are upheld appropriately and in accordance with the regulation and associated legislation.
- **Be accountable...**
By all staff adhering to and remaining compliant with all of the UKGDPR principles and contributing to demonstrating the organisations compliance.
- **Use anonymisation, pseudonymisation and encryption...**
Where possible and appropriate staff to anonymise/pseudonymise and encrypt personal data in order to protect the privacy rights of individuals.
- **Use the model of least privilege...**
In order to ensure that personal data is only accessed by staff that have a defined need to access it, we will ensure that security controls are implemented to data held physically and electronically, and we will review the access controls and permissions on a regular basis
